

Exercise 1.2 – Lets go to Barcelona – Create a Web app

Create a web application

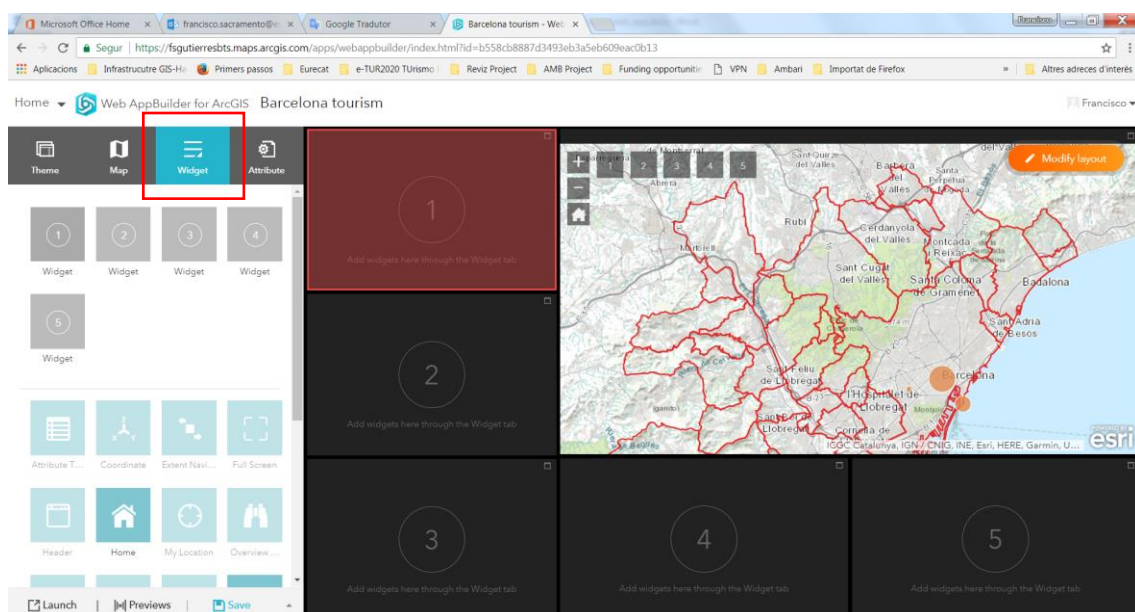

1. Open the web map ("Barcelona tourism") created in Exercise 1.
2. Access to "My Content" tab. Click on the name of the map and visualize the item details.
3. Click on the button "Create Web App". Select the option "Using the Web AppBuilder".

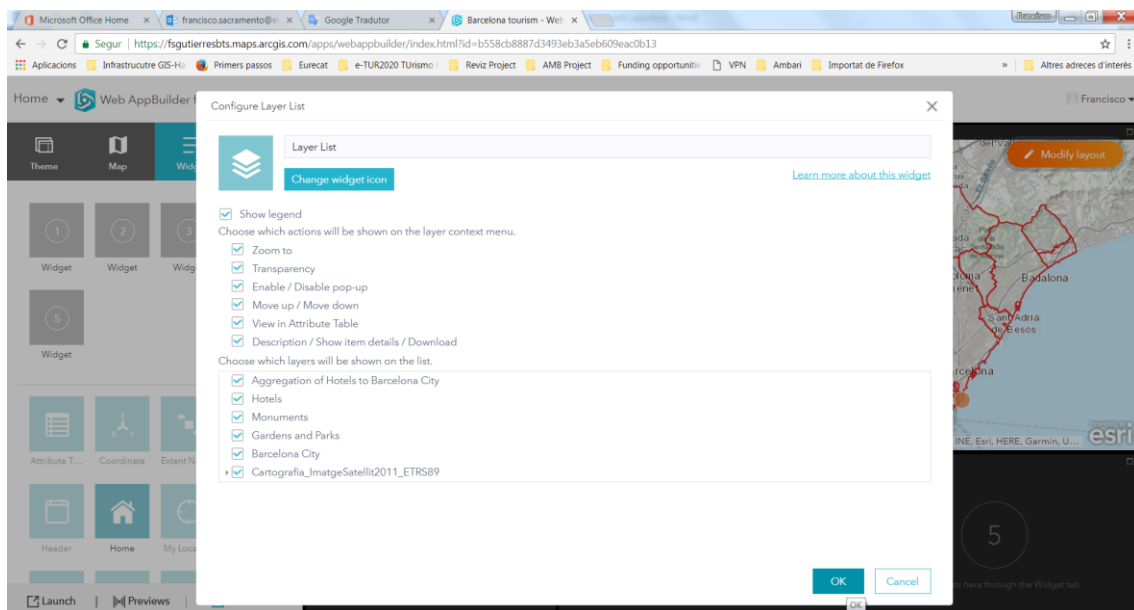

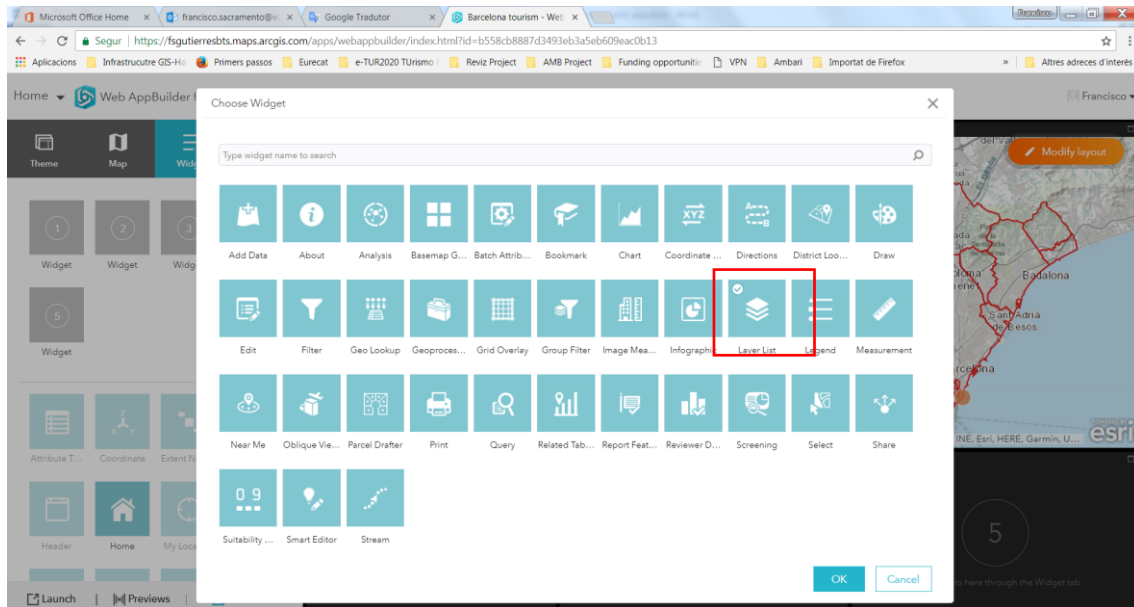

4. Select the “Dashbord Theme”.

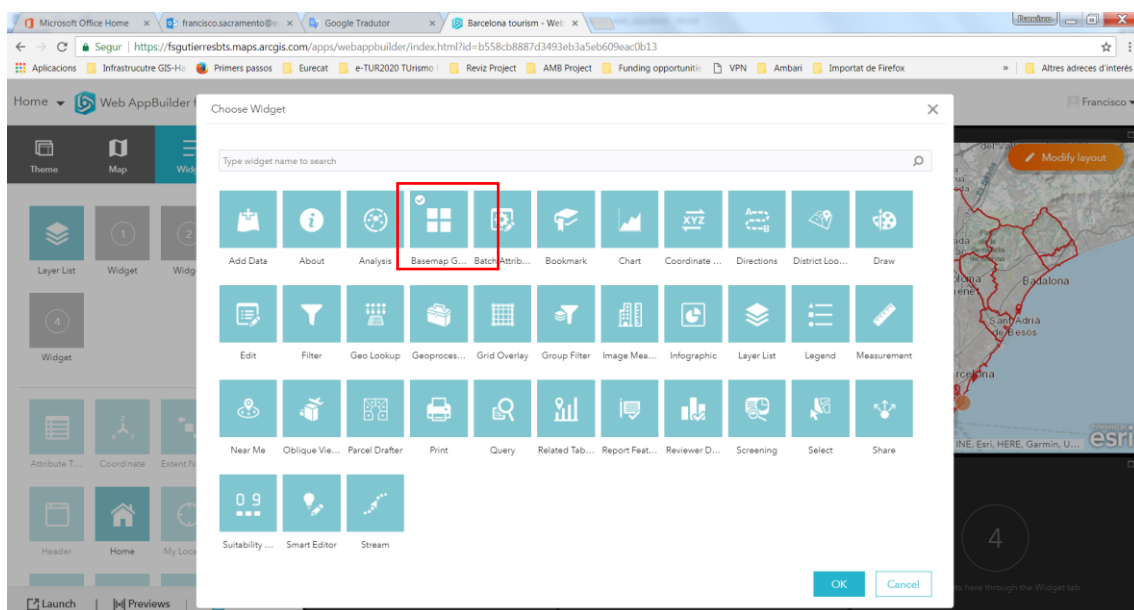

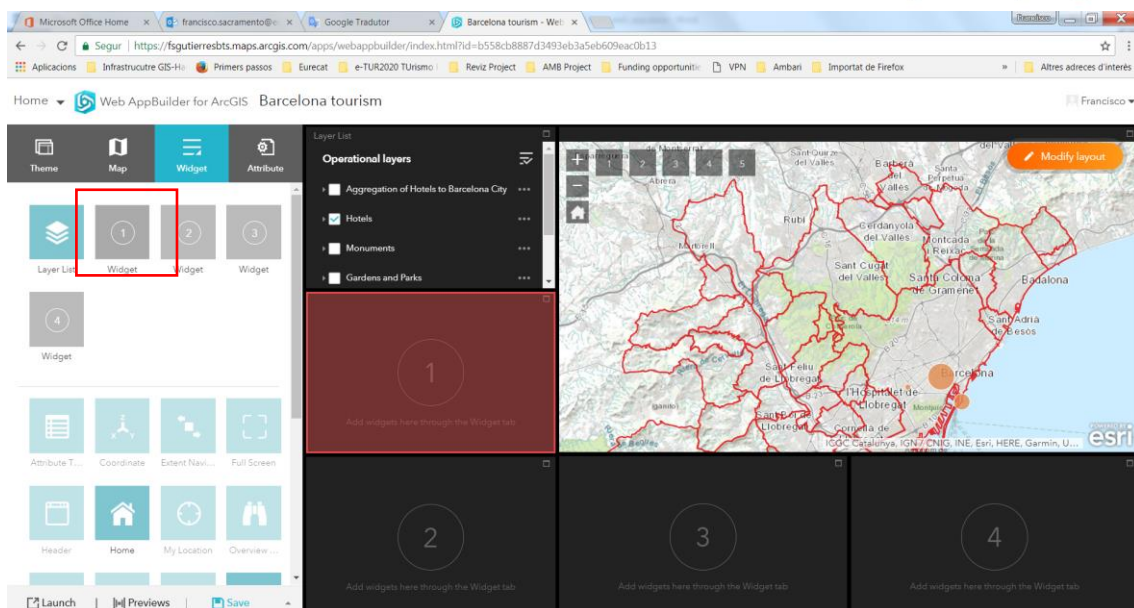

5. On Widget tab we will select some functionalities.

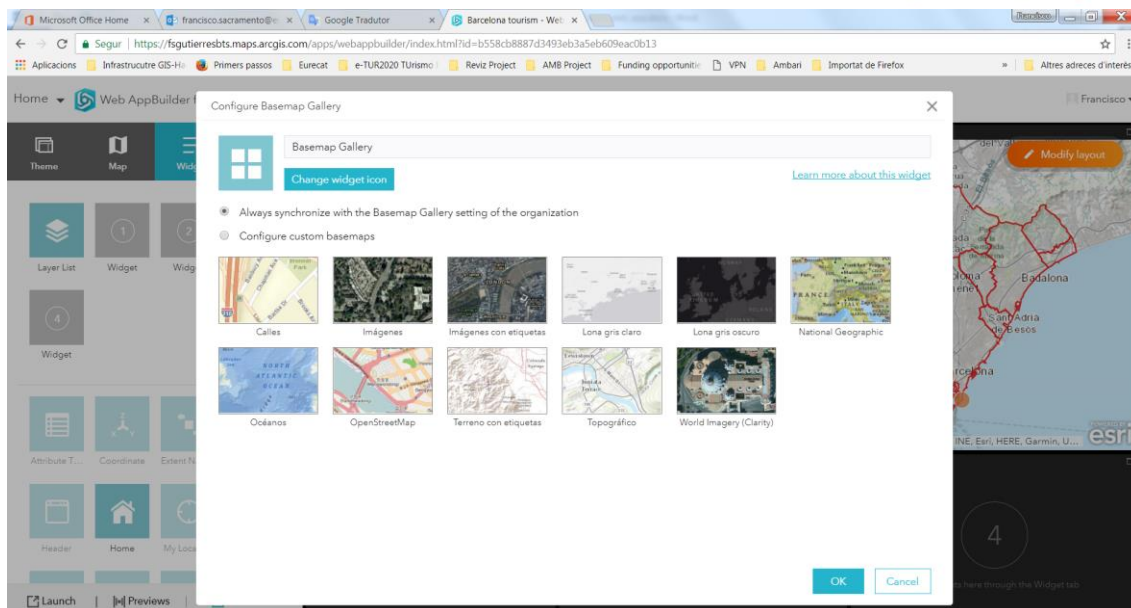

5.1. Select “Layer List” for the first widget.

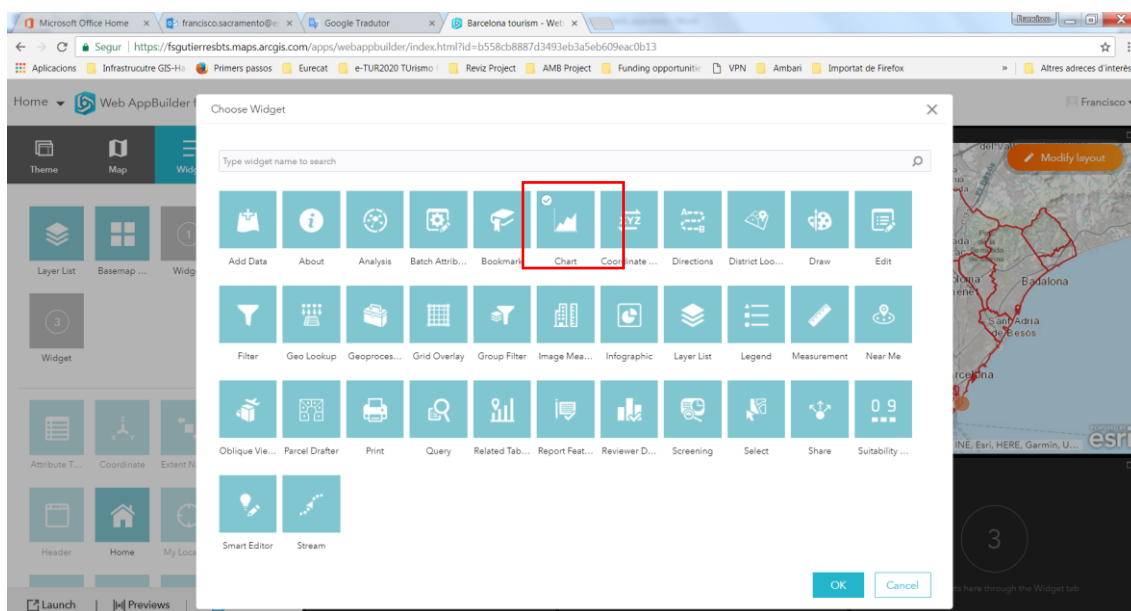

5.2. Select “BaseMap Gallery” for the second widget.

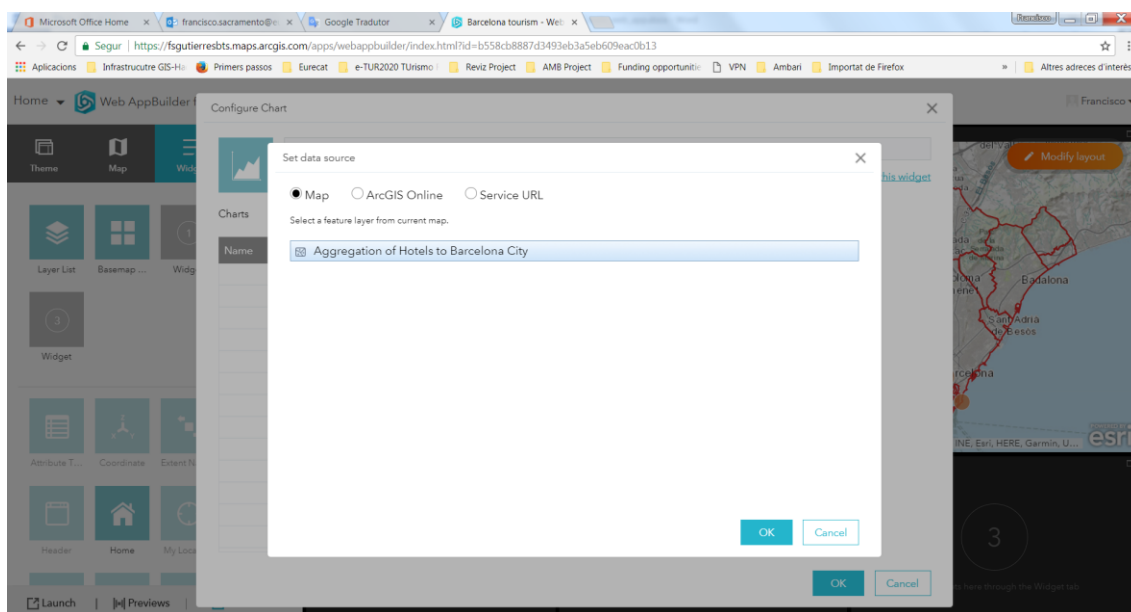

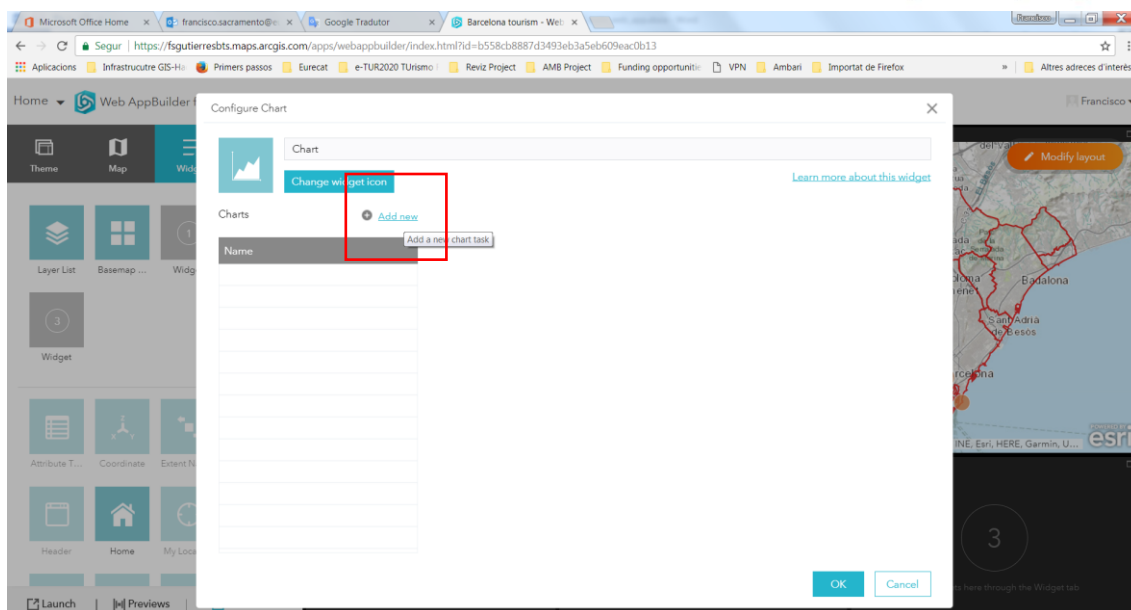

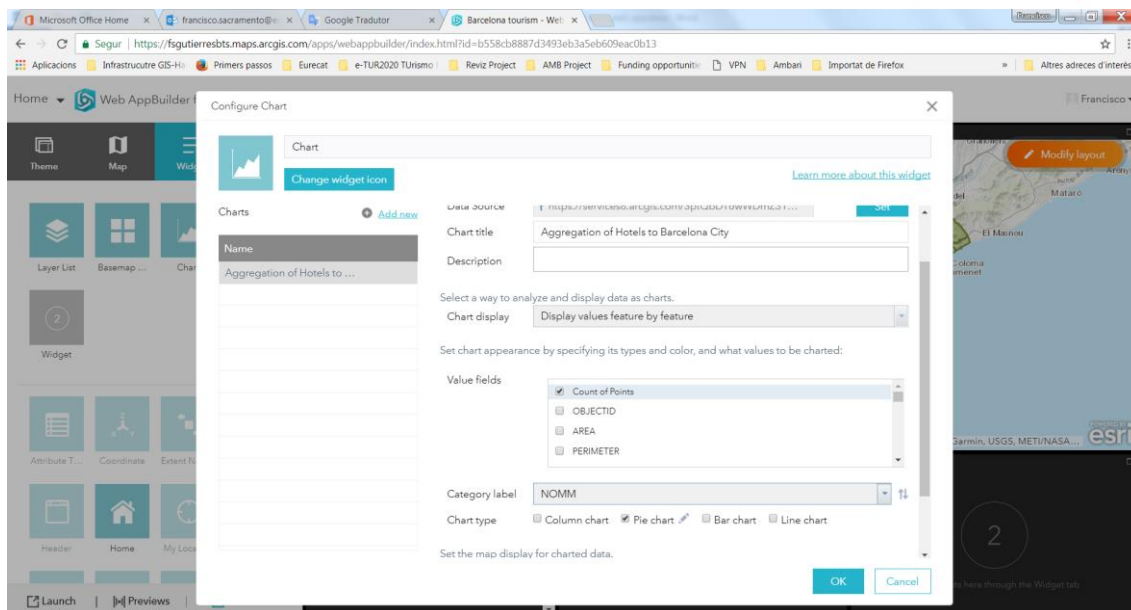

5.3. Select “Chart” for the third widget.

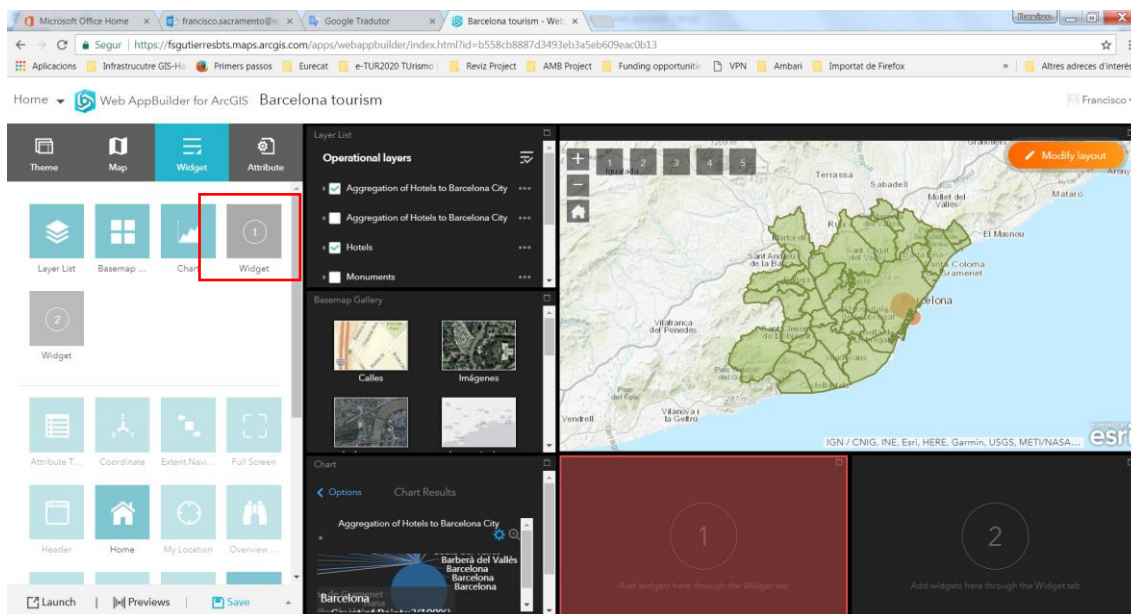

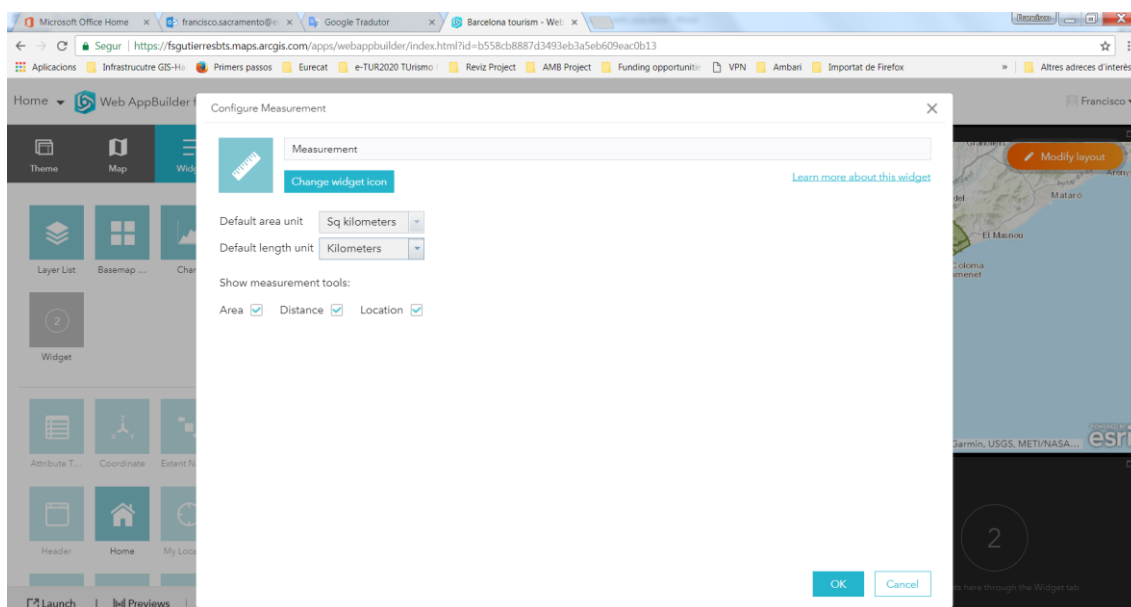

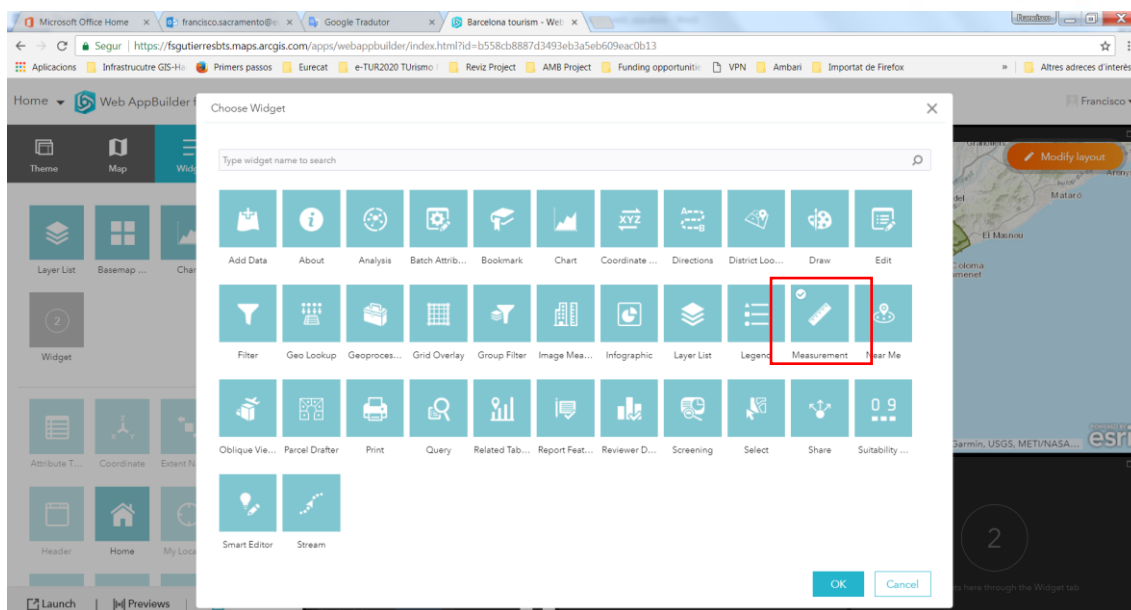

5.3.1. Click “Add new”.

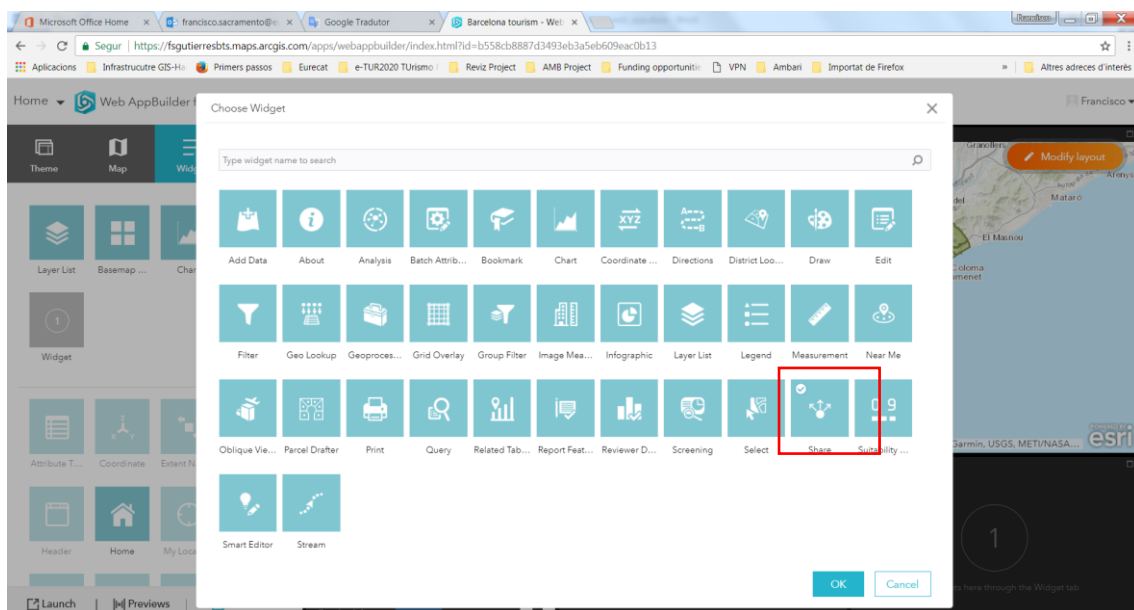

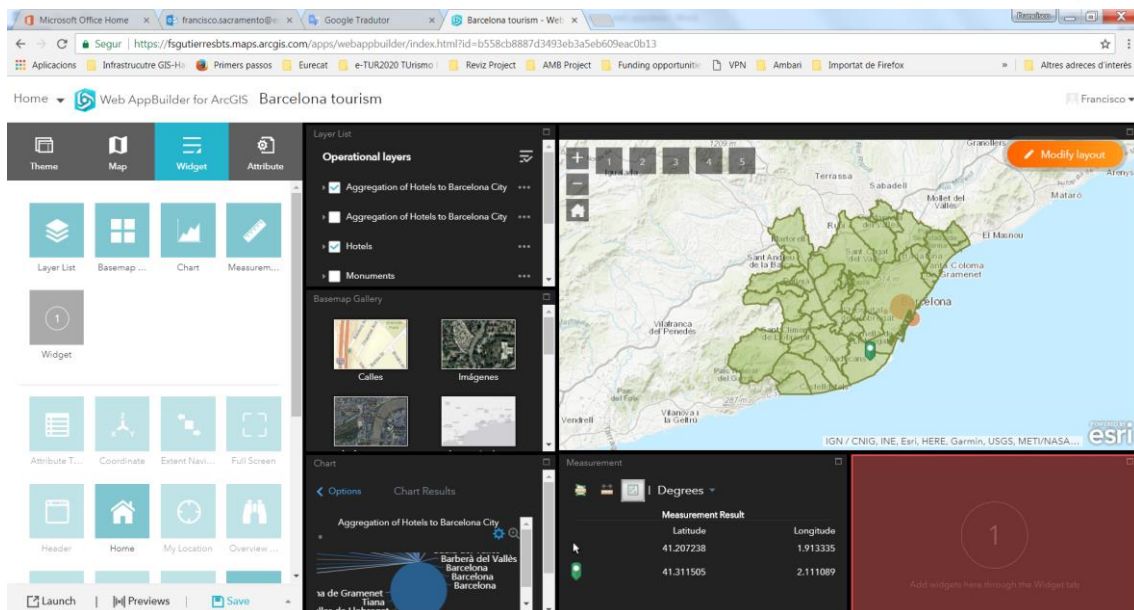

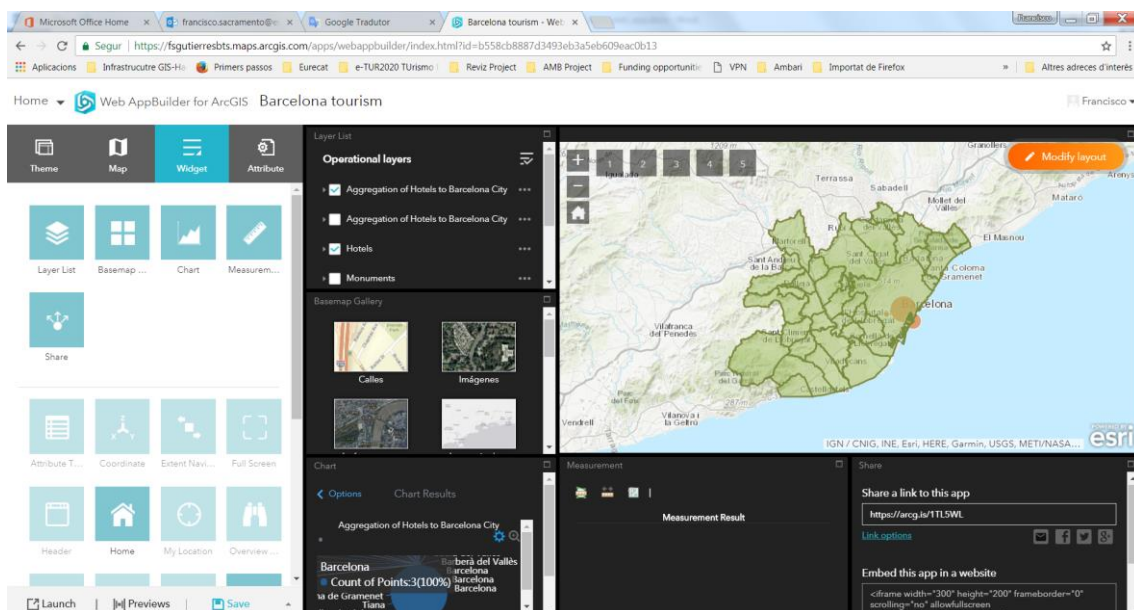

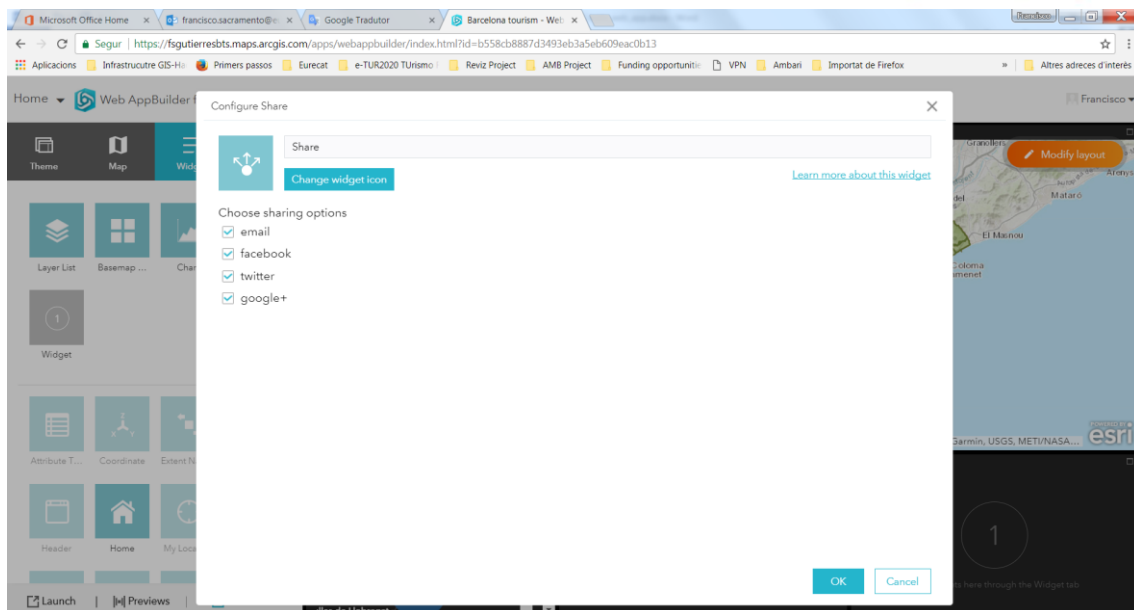

5.4. Select “Measurement” for the fourth widget.

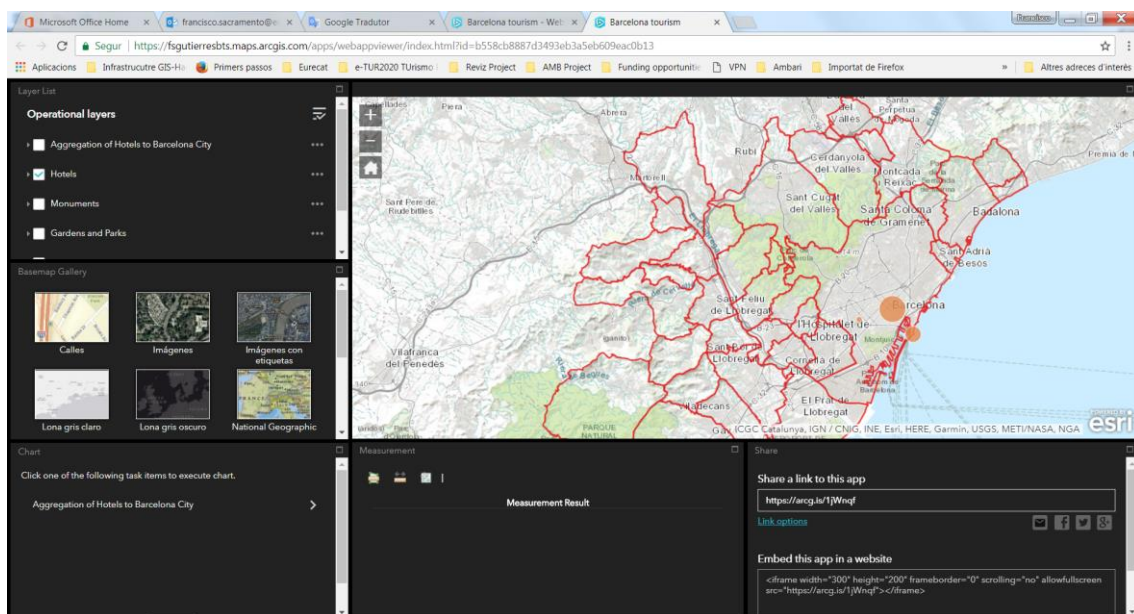

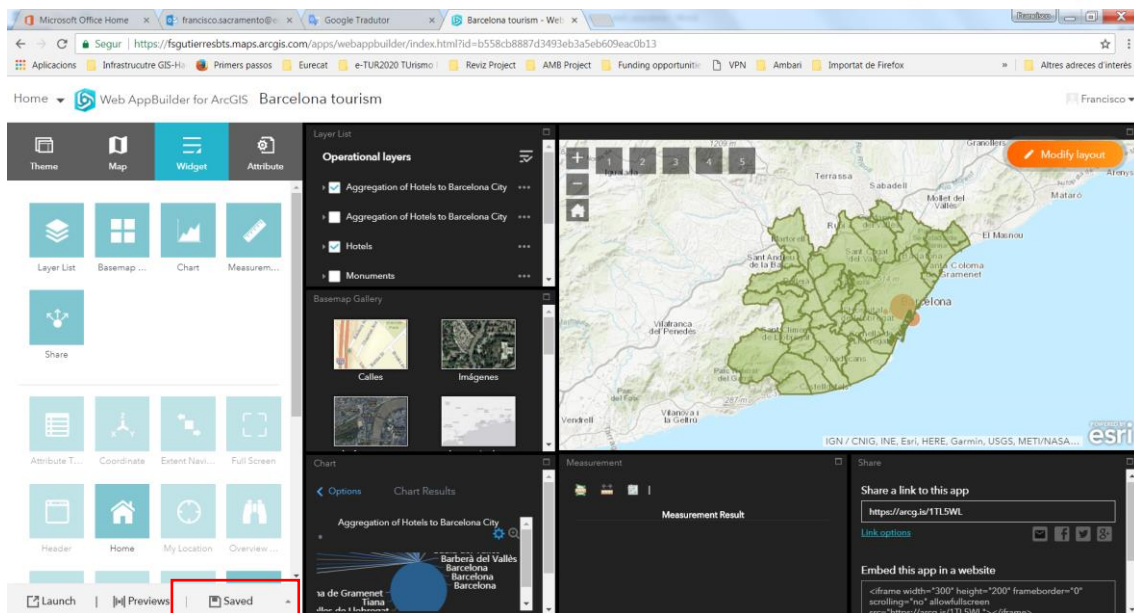

5.5. Select "Share" for the last widget.

6. Save and launch the web app. Click on the share button. Make your public map by placing a check in the option "Everyone (public)" and "BTS group". Click "Done".

- Go to my content and share the web app. Make your public map by placing a check in the option "Everyone (public)" and "BTS group". Click "Done".
